1. We need to *verify your identity and will need to review a copy of your CA License or government photo identification card along with your social security card.*
2. We need *personal financials, including two years of state and federal tax returns, and pay stubs. Bank statements are sometimes required for at least six months prior to filing.*
3. If anyone sued you, please provide a copy of the lawsuit
4. We need copies of all contracts or leases that you have.
5. If we need anything after these pieces of information, we will let you know. Please feel free to submit anything else you'd like for us to review that may not be a part of this list. The more information we have to create the case, the better we can understand your situation and represent you.
6. A copy of your mortgage statement showing balances owed.
7. Please supply all insurance documents with the declarations pages. Evidence of insurance and continued insurance coverage is crucial.
8. You need to take credit counseling. Please go to our website and the credit counseling tab for options on obtaining a certificate.
9. We need to understand your assets. Please provide a copy of retirement or any other financial accounts you have as well as a KBB.com on any vehicles or anything to let us know any valuable item you own. Disclosure is key, and we need to show items you own.
